BOB

Sam hears a knock on the door. Sam is so shocked that she couldn't talk. Zoom into Sam's computer screen, and she types: Bob knocks at the door one more time.

BOB
(furious)
Is anybody in there?

Bob opens the door, walks over to Sam and looks at her..

BOB
Are you typing a book about me?

SAM

No! I am writing a book about a character I made up, and I named him Bob.

BOB

That's my name!

Bob shoves Sam aside and reads the screen of Sam's computer.

SAM

What the heck?!

BOB

Are you stalking me because this is what I do every morning before school. When did you type this?

SAM

This morning.

Bob starts to ponder on the situation and then types in the computer: A book falls down. Suddenly a book falls down and hits Bob.

BOB

Ow. It seems that whatever you type... becomes true, so... I need you to stop writing this book.

SAM

No, you're not the boss of me!

Sam doesn't say anything, but she types: Bob walks out of the room and continues his daily routine.

SAM

I can't..

BOB

(interrupting)

Listen to me. I don't want to live this boring life anymore! You are the only person , for some reason, that can help me change.

Sam takes a deep breath and tells Bob:

SAM

The only reason I am writing this ridiculous book is because my mom wants me to be a successful writer.
