Every one was sitting in their seats coming from their 5th period elective. As everybody sat down, Lee went to his usual table with his four best friends, Joe, Tony, Bob, and Kevin.

2

Hey!

JOE, TONY, BOB, AND KEVIN

3

JOE
Where were you?

He started a conversation with his friends talking about the mysterious door down the hall.

LEE

Today as I was walking down the hall to (voice over) the restroom I heard strange noises coming from room 117. The noises sounded like a monster's scream.

- Kevin

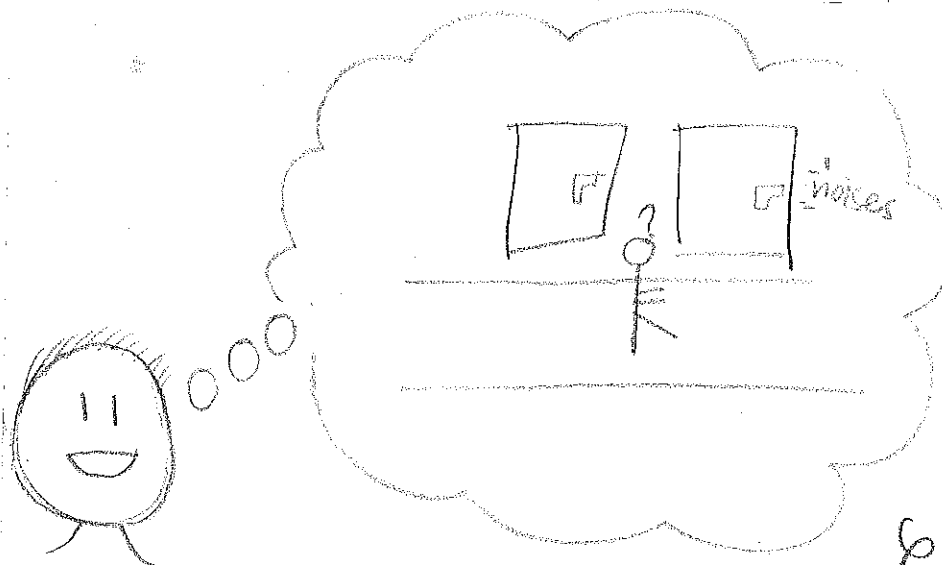

It was probably
your imagination.

5

KEVIN

It was probably your imagination.
There is no such thing as
monsters, you duffus.

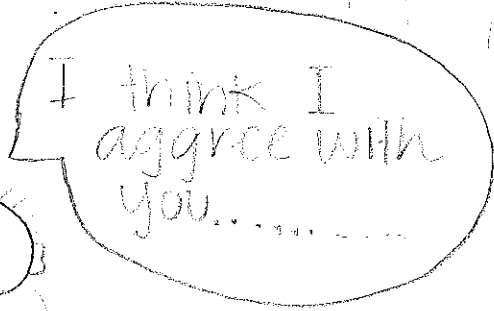

6

TONY

You know, what Lee is right
because I had the same experience.
(voice over) So as I was walking
down the hall to go to art I
passed by room 117 and then I
heard the noises. They sounded
like some one screaming and you
could barely make a sound out of
it.

BOB

BOB

I think I agree with you because one day I was watching Monster Quest and they investigated the hot spots where they would mostly be found.

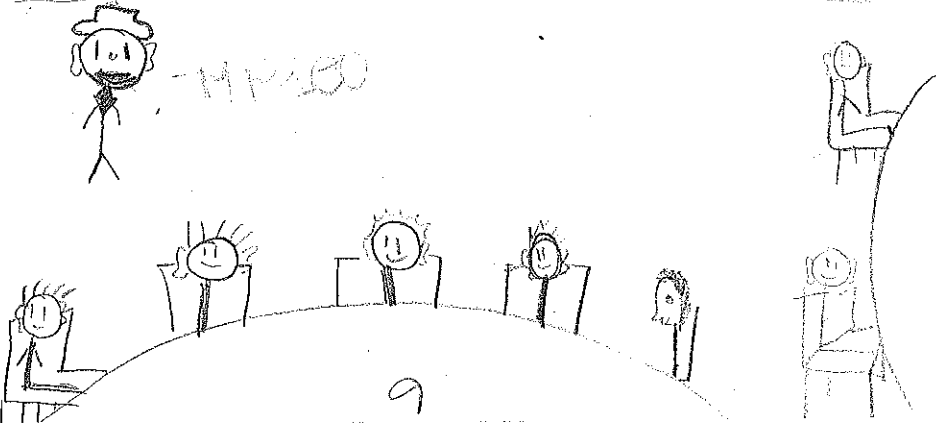

oo

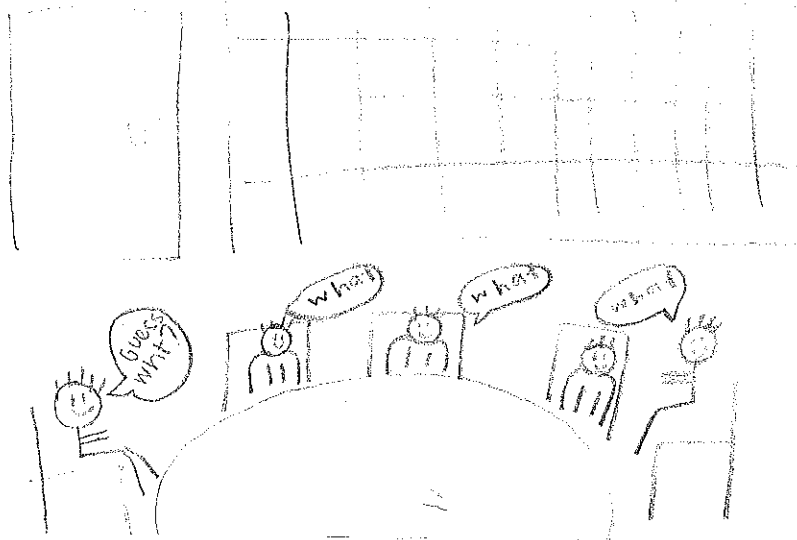

KEVIN

You guys are out of your mind.

The five friends stopped their conversation when the librarian came in followed by Mr. Leo. Study Hall started

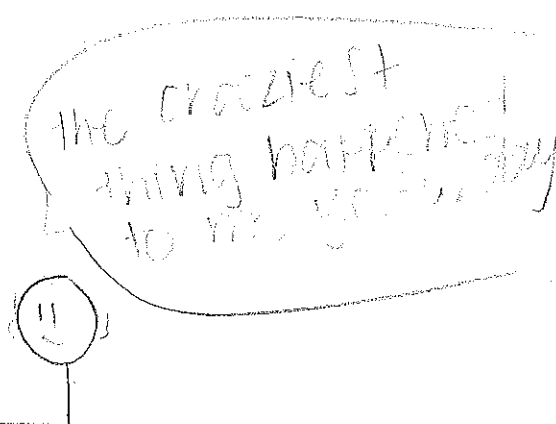

The five friends were early to Study Hall again, and Kevin started to talk about the mysterious door down the hall.

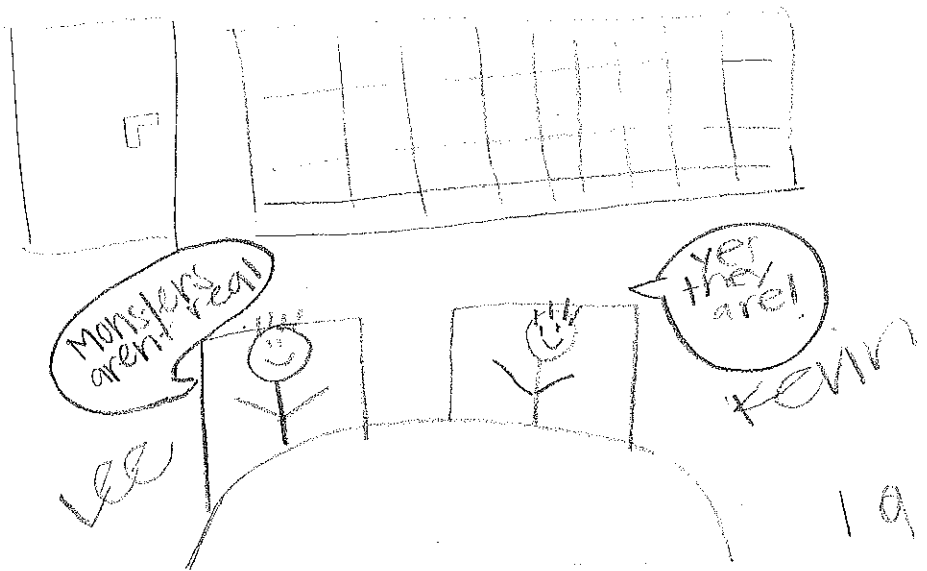

KEVIN
Guess what?
LEE, JOE, TONY, AND BOB

What?

KEVIN
The craziest thing happened to me yesterday when I got out of Study Hall. Okay, I was walking down by the mysterious door and I... ahh heard the same noises you guys told me and I made a run for it. Then Ms. Macmanus asked me what I was doing and I told her I was walking to class made a run for it.

LEE
Monsters aren't real.

KEVIN
Yes they are!

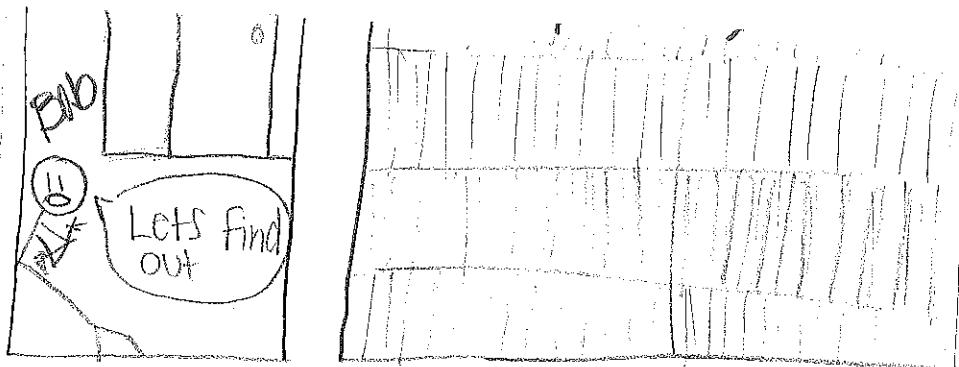

LEE
Now do you believe in us?

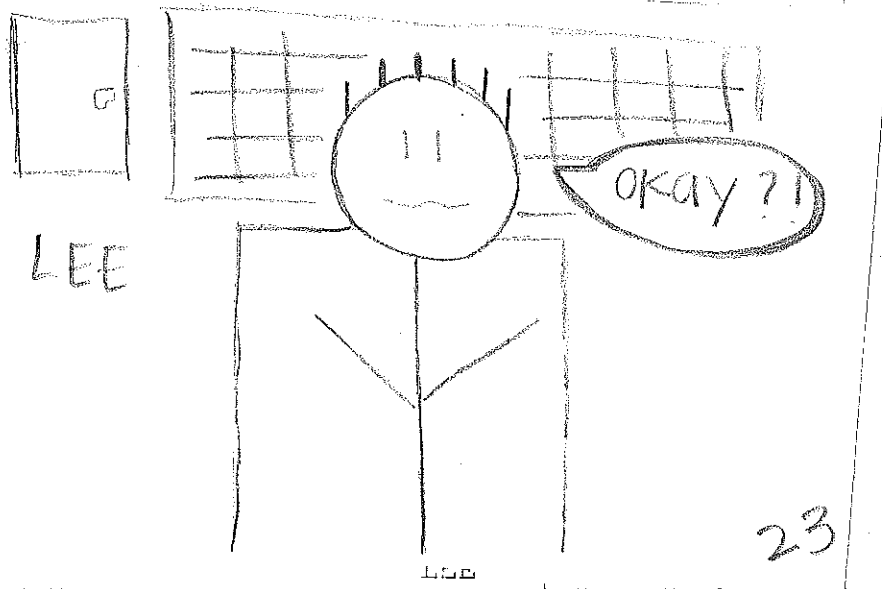

KEVIN
Yes I believe you. But we still can't prove that there are monsters.

Bob was in the doorway over hearing the conversation.

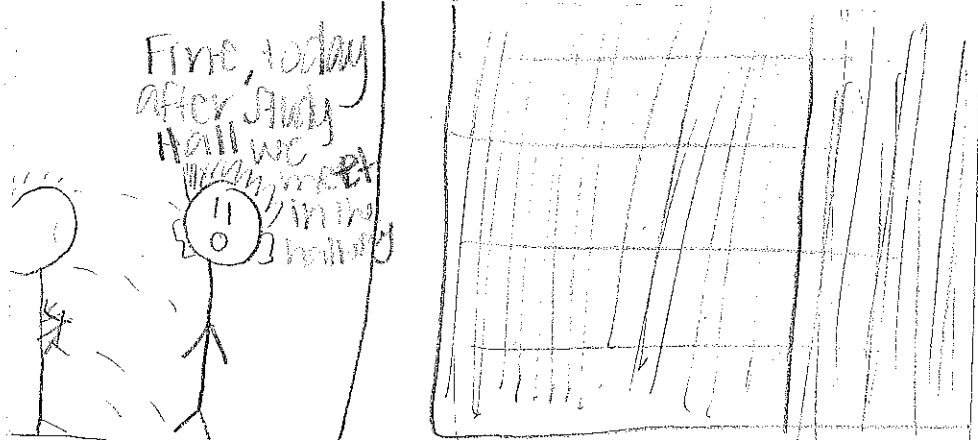

22

23

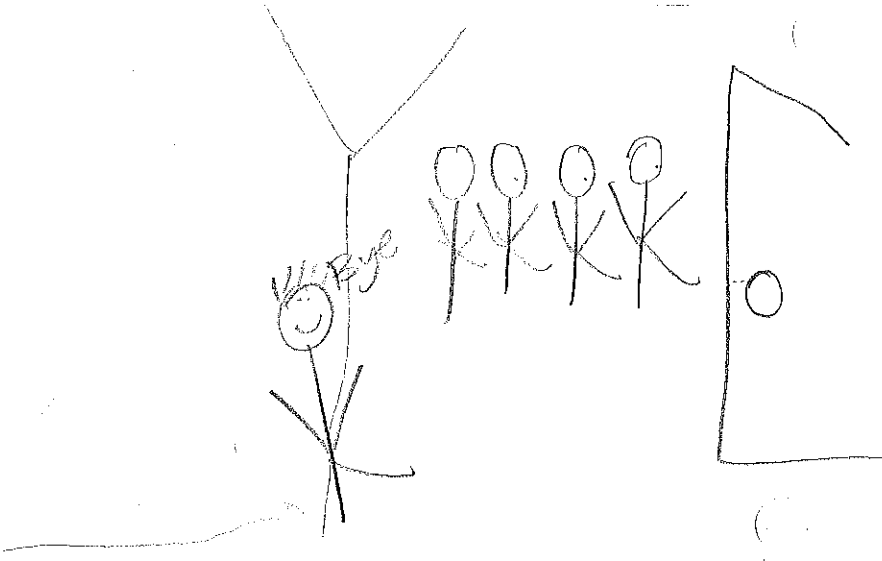

Okay.

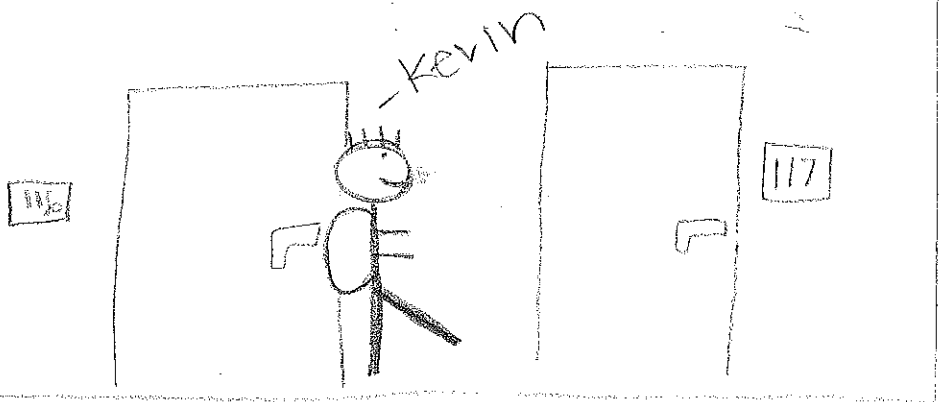

BOB

Fine, today after Study Hall, we meet in the hallway.

24

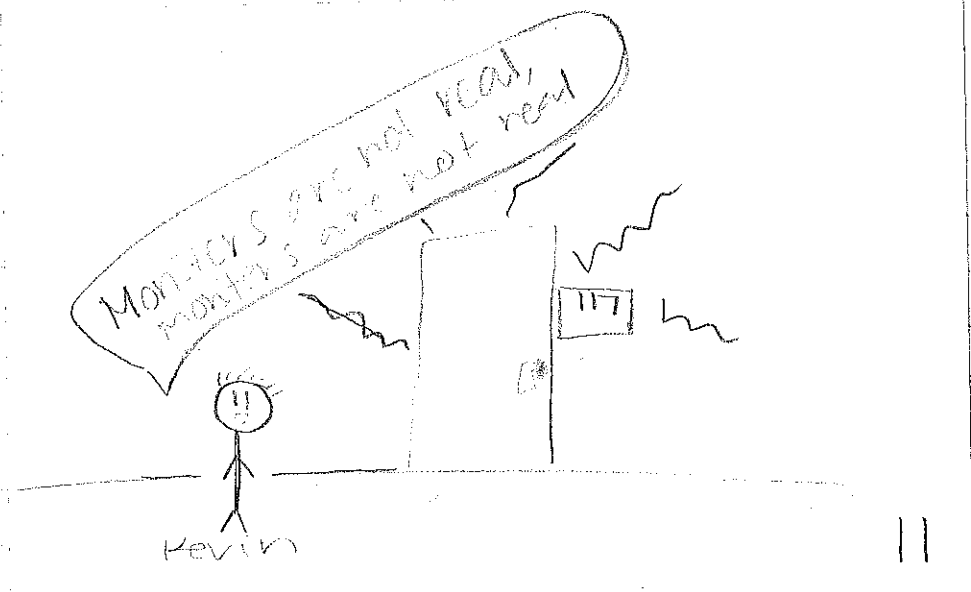

Hallway.

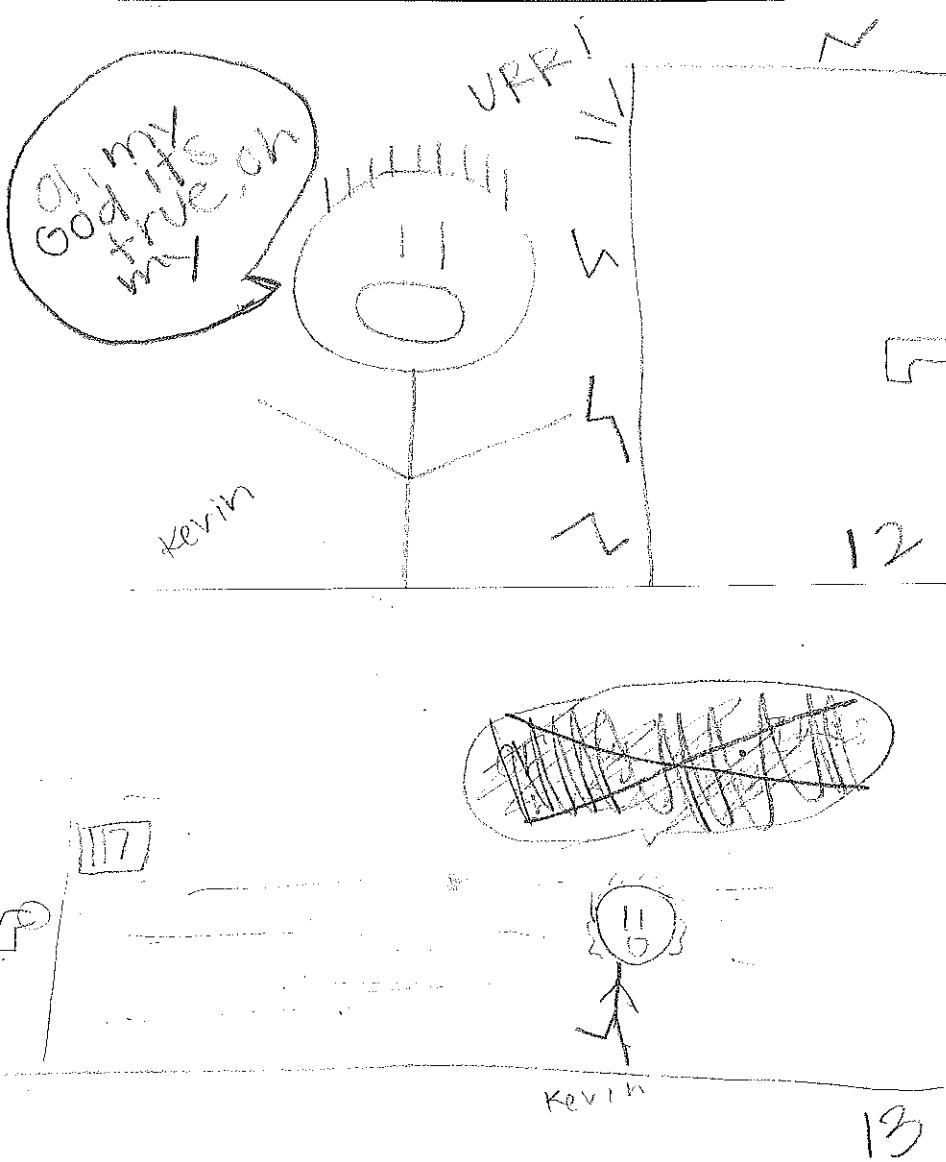

Study hall was over and the friends went into separate ways, Kevin went on the left while the other guys went to the right. As Kevin was walking down the hall he was passing by the room 117.

10

11

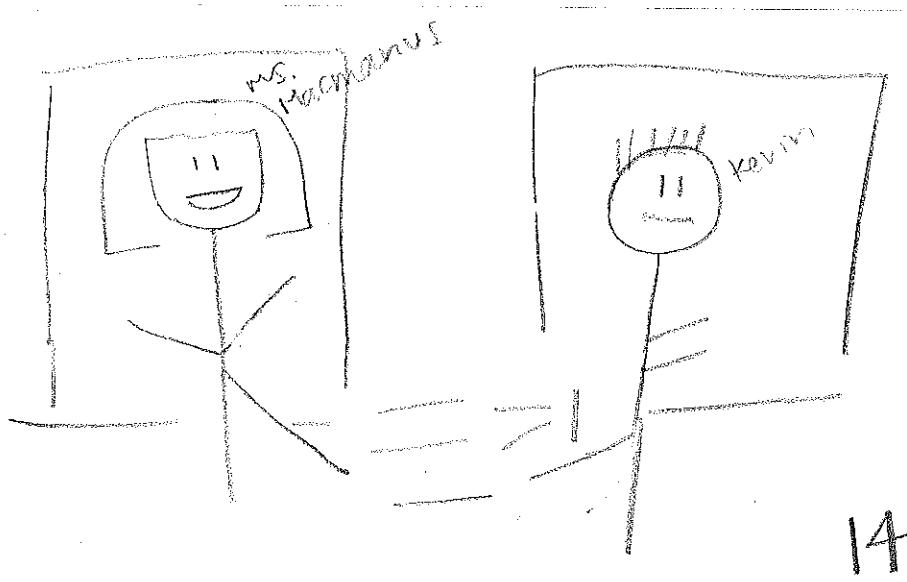

KEVIN
Monsters are not real, monsters are not real.

All of a sudden he heard strange noises the same ones his friends were talking about in Study Hall. He was paralyzed with shock opening his mouth, speechless. He made a run for it.

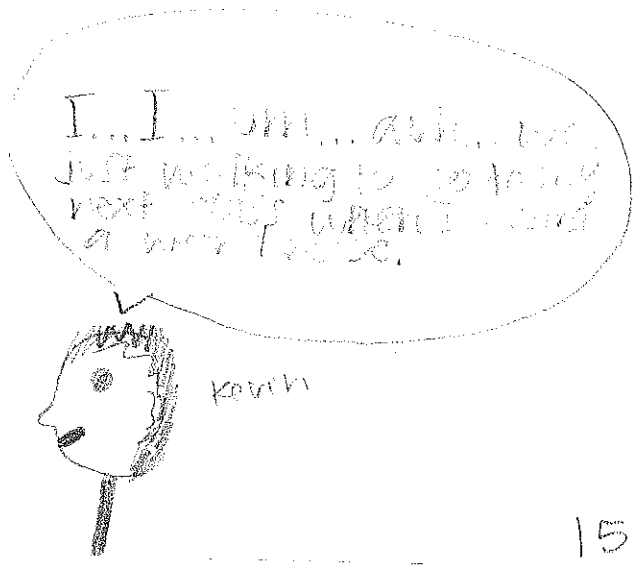

Oh, my God. It is true. Oh my
 KEVIN
 Oh, my God. It is true. Oh my

From behind Ms. Macmanus appeared.

MS. MACMANUS
 Hey Kevin. What are you doing? I am having a meeting here!

Kevin stood there and finally words came out of his mouth.

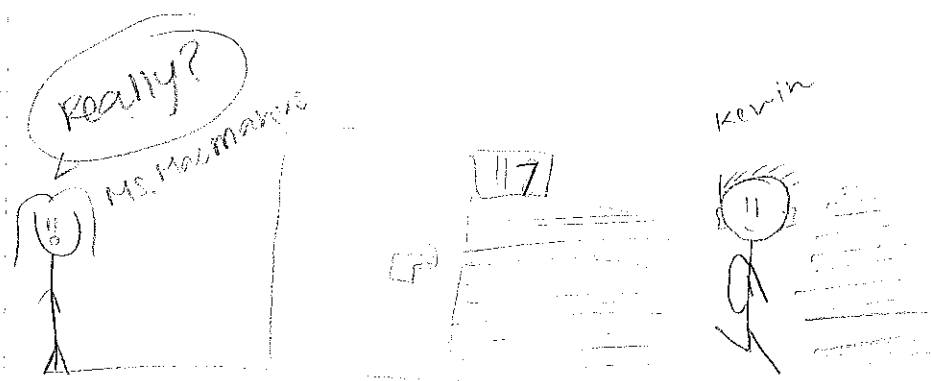

15

KEVIN

I...I...um...auh was just walking to go to my next class when I heard a weird noise.

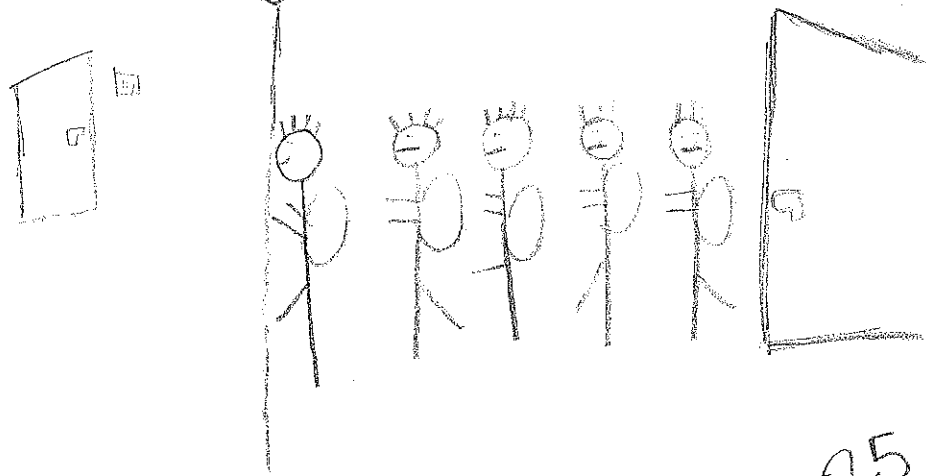

Then Kevin took off to his next class.

16

MS. MACMANUS

Really?

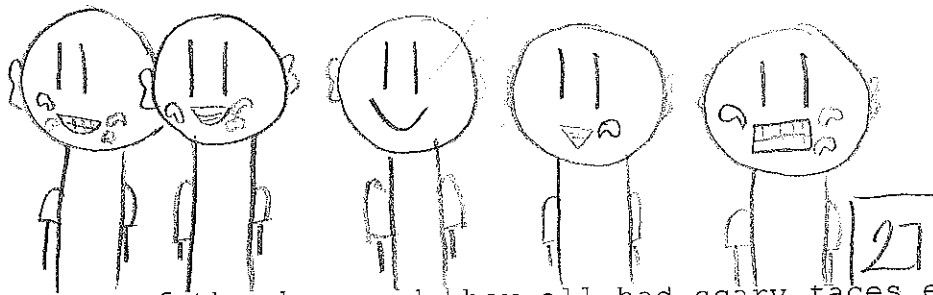

The guys had just gotten out of Study Hall and they met in the hallway as they had agreed.

Hallway

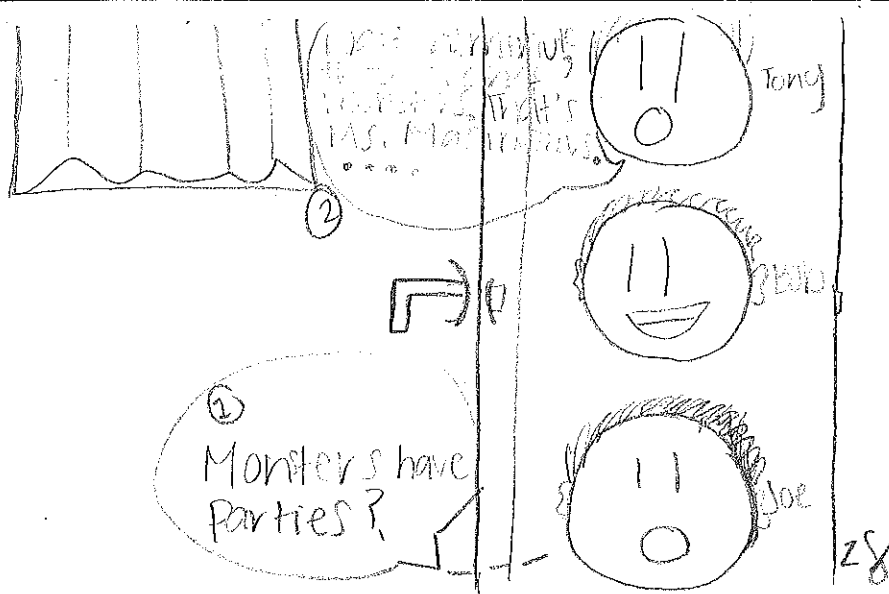

Together they walked towards the hallway where the mysterious door is.

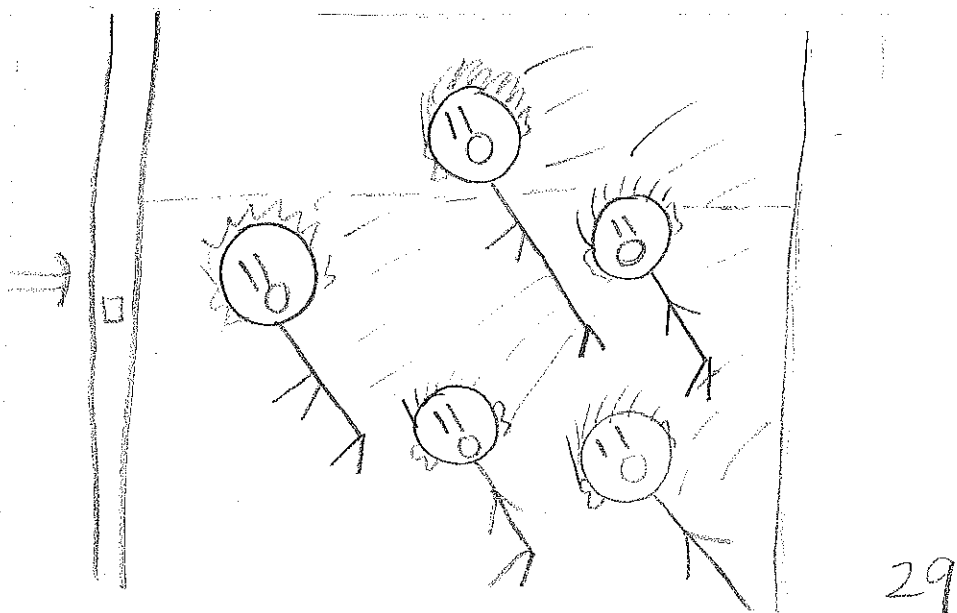

They were in front of the door and they all had scary faces except Bob, he was excited to see the monster like the one from Monster Quest. Then Bob slowly opened the door and they saw what was party lights.

MS. MACMANUS
OFFICE

JOE
Monsters have parties?

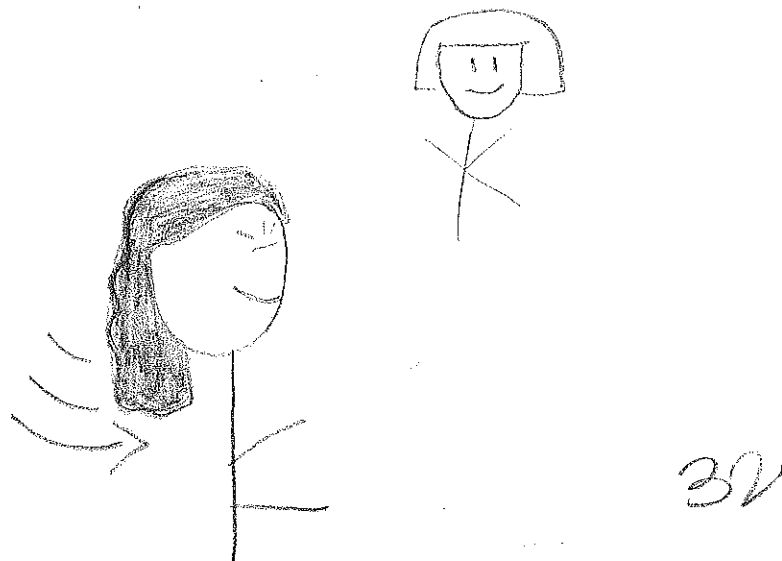

TONY
Wait a minute, those aren't
monsters. That's Ms. Macmanus, Mr.
Leo, Ms. Garcia, Ms. Montano, and
and Ms. Gonzales.

Right after Tony told who was in there, they all fell into
the room when all their heads where trying to look inside.
Everybody stopped on what they were doing.

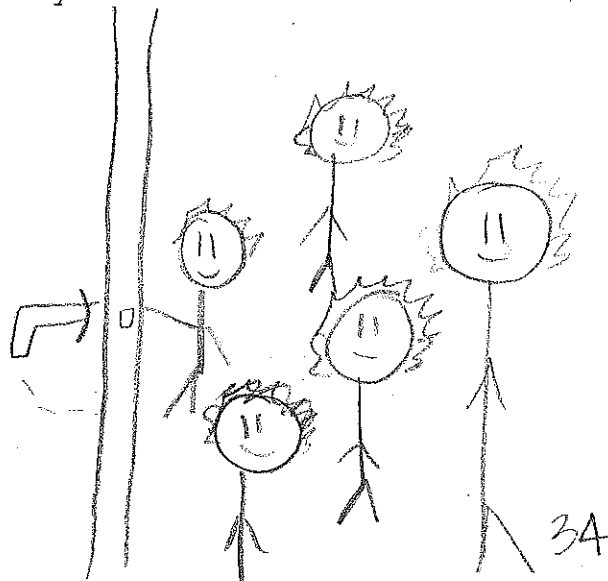

MS. MACMANUS
What are you guys doing here?
Aren't you guys supposed to be in
class?

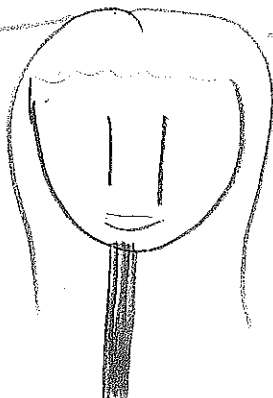

MS. GARCIA

Let them join in, (she winked at her) there is plenty of food for all to enjoy. Come on guys join the party.

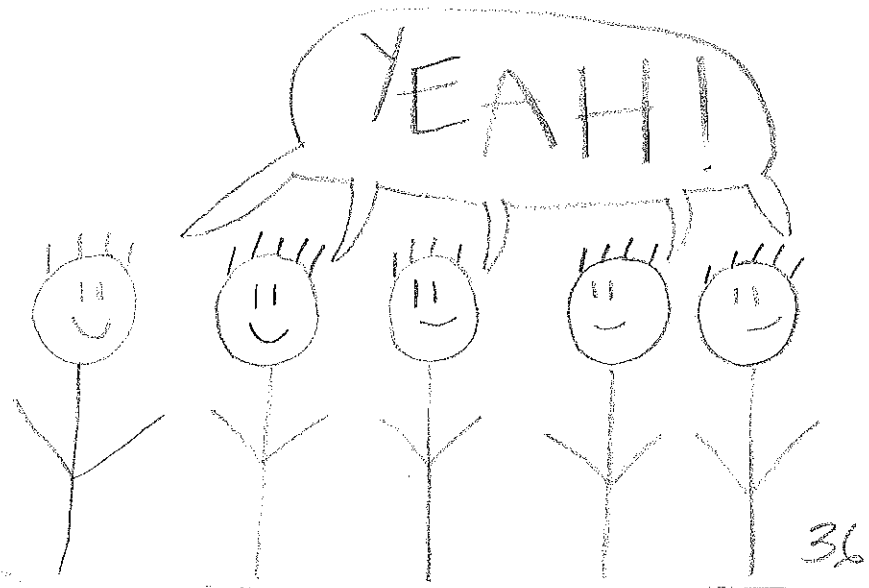

They got up and opened the door halfway and they joined in. Little did they know that it was a trap for them not to scatter about and start telling other kids about the mysterious door that teachers used as a secret party place.

You guys want to see another secret place for the teachers?

MS. MACMANUS

You guys want to go see another secret place for the teachers?

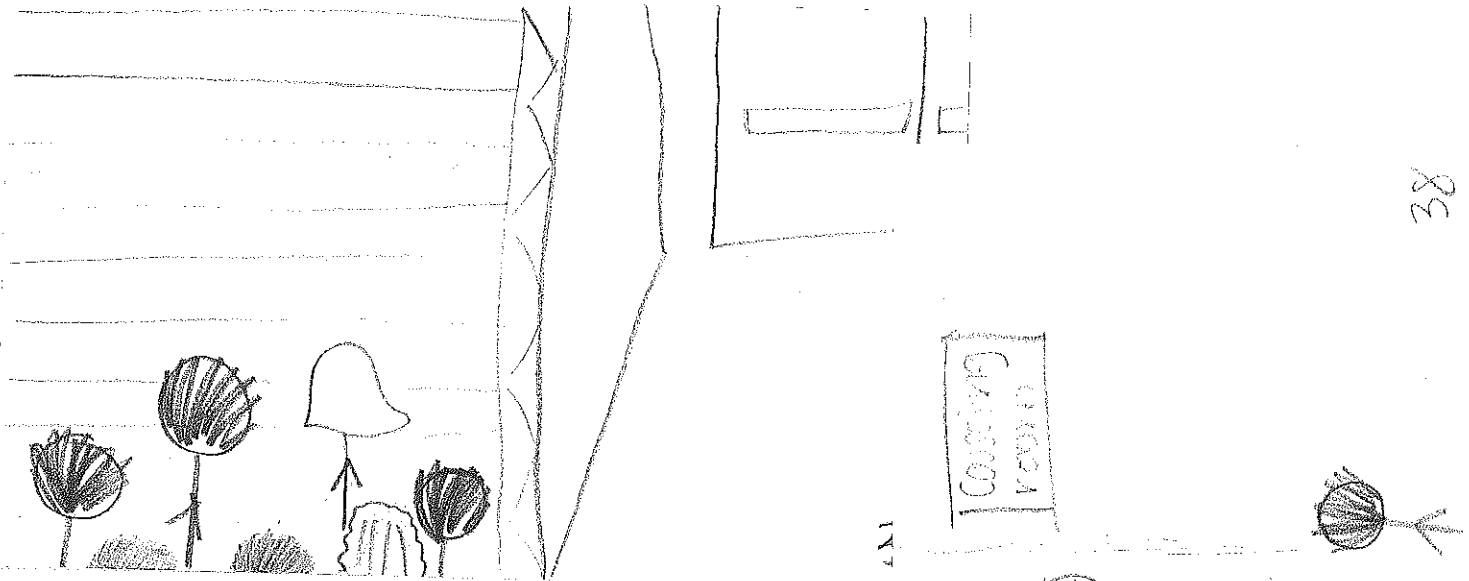

36

Yeah!

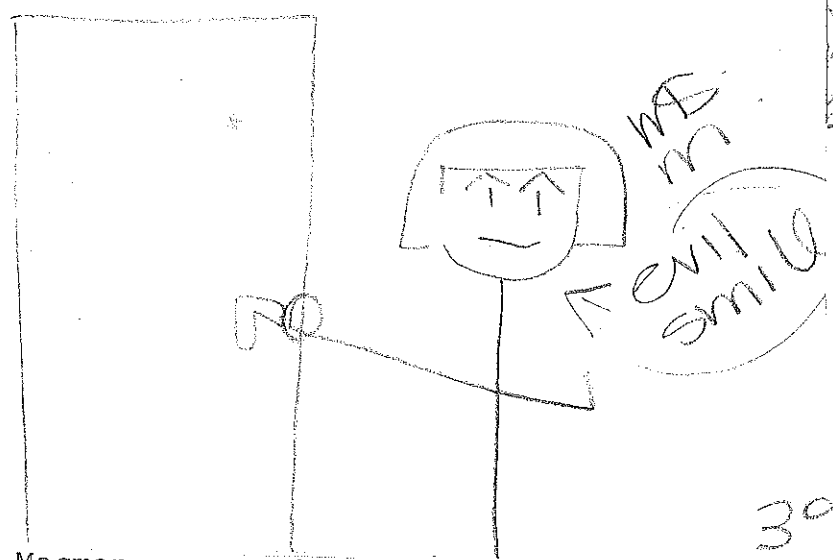

LEE, JOE, TONY, BOB, AND KEVIN

Int. ~~Council~~ Council Room ~~Int.~~

38

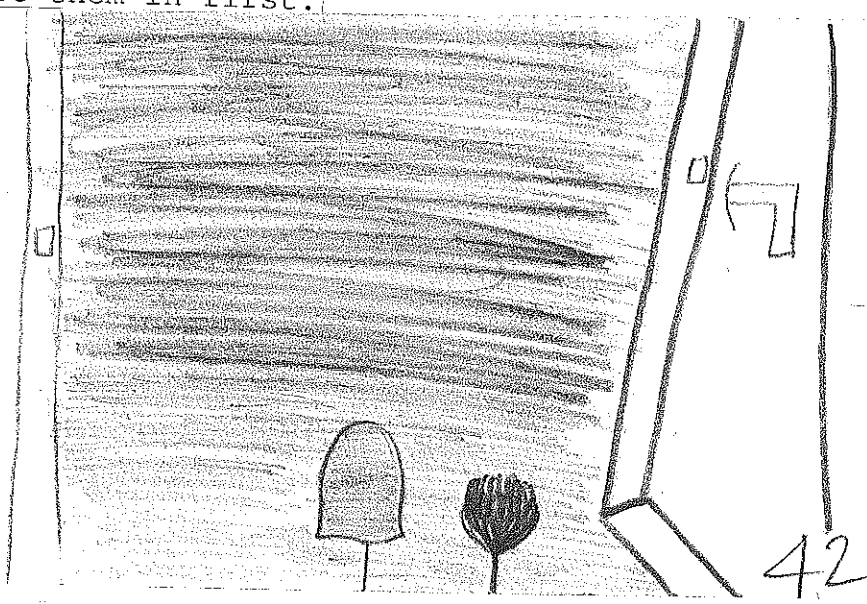

So they headed to the second floor to the counse

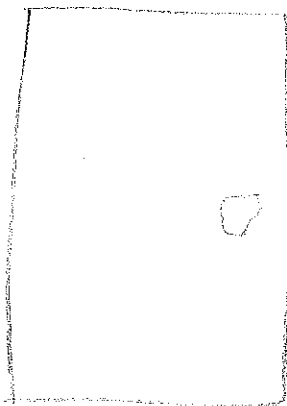

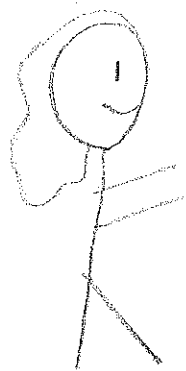

39

Ms. Macmanus opened the door for them with an evil smile and let them in first.

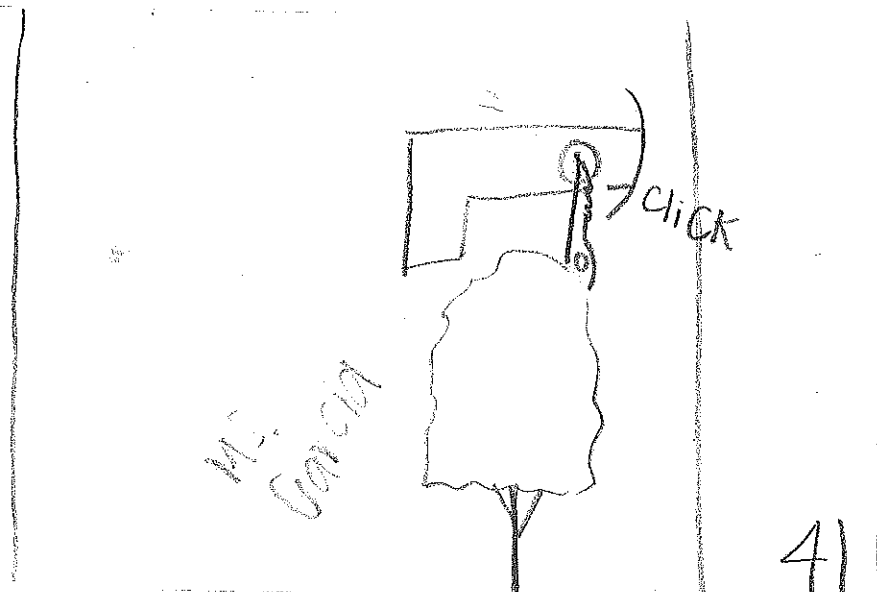

42

Ms. Macmanus took them to the room.

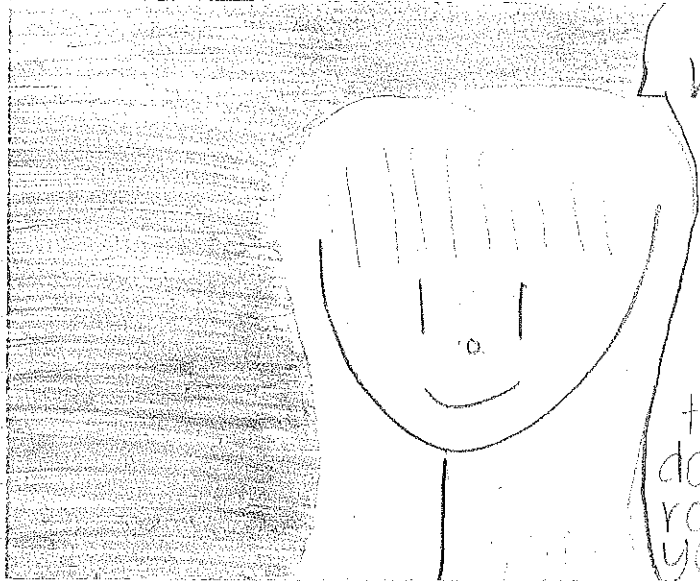

40

41

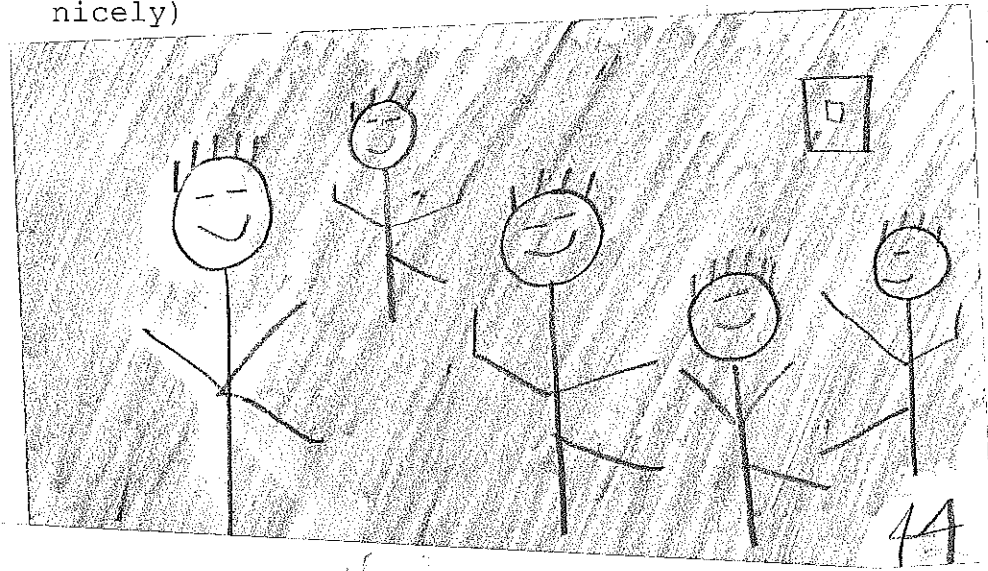

Ms. Garcia was locking
the other side of the door to lock them in the room

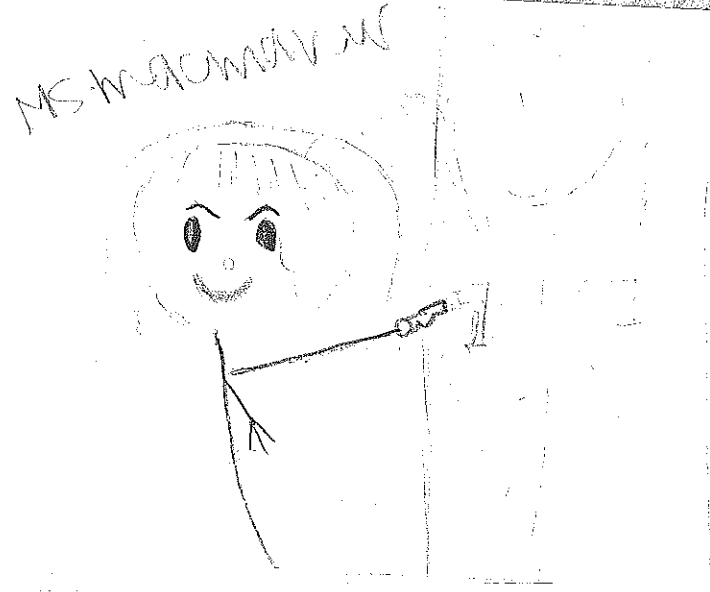

We keep this room dark so kids won't know what the teachers do in this room. Oh, can you...

MS. MACMANUS

We keep this room dark so kids won't know what the teachers do in this room. Oh, can you guys find the light switch for me? (she said nicely)

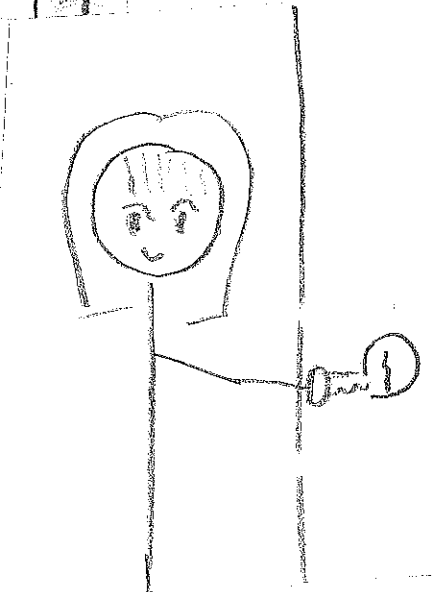

the boys looked for it

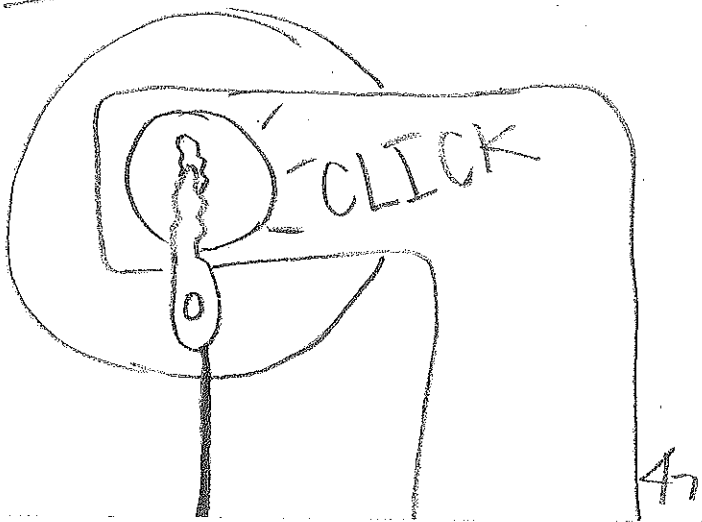

Ms. Macmanus got out of the room,

45

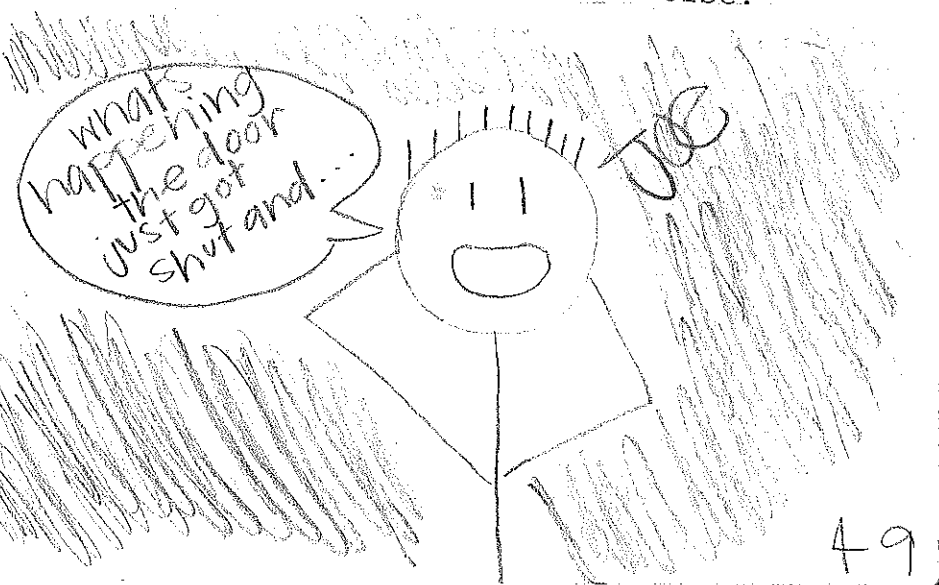

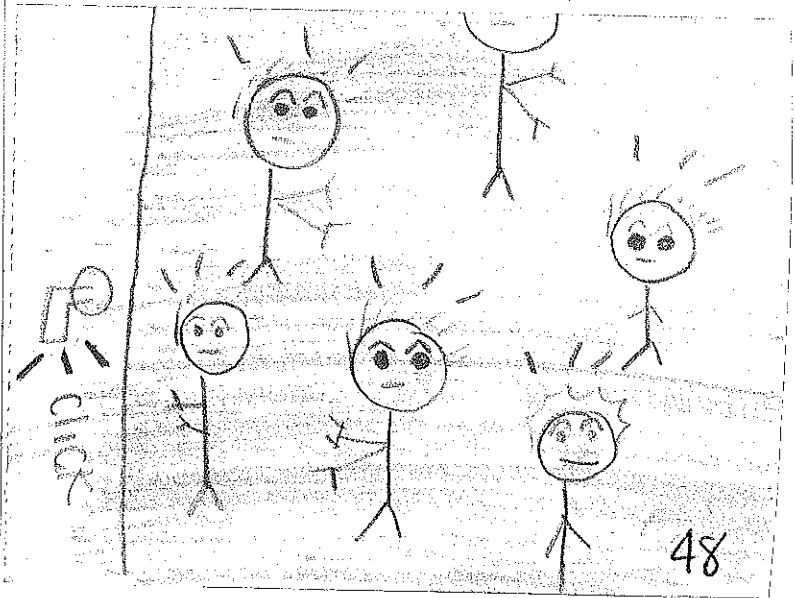

closed the door, and locked it.

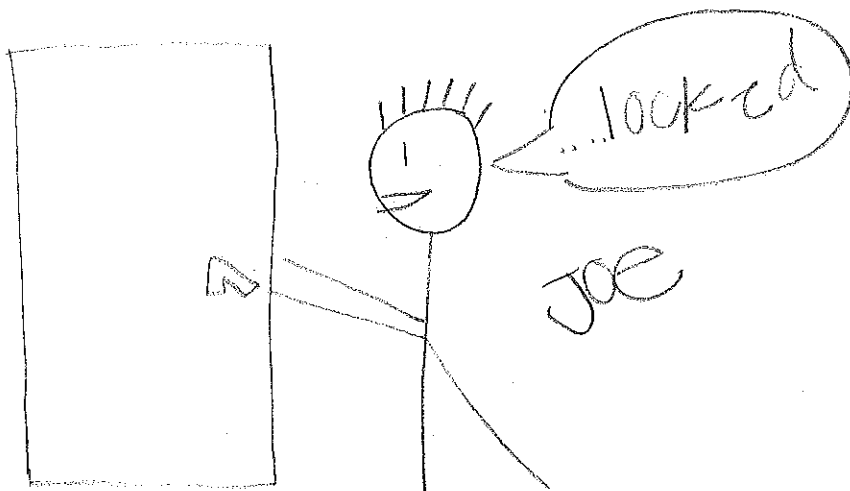

46

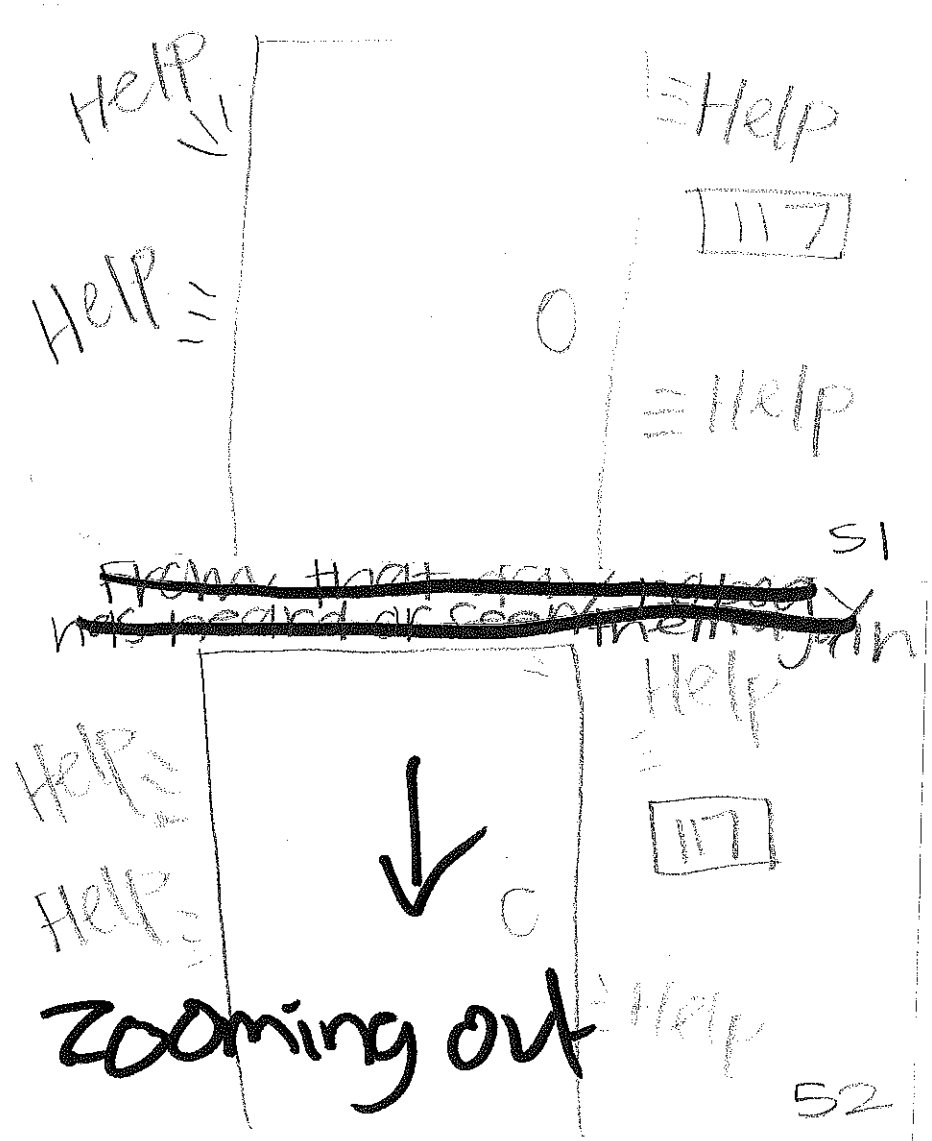

The guys heard the lock noise.

JOE
What's happening the door just got shut

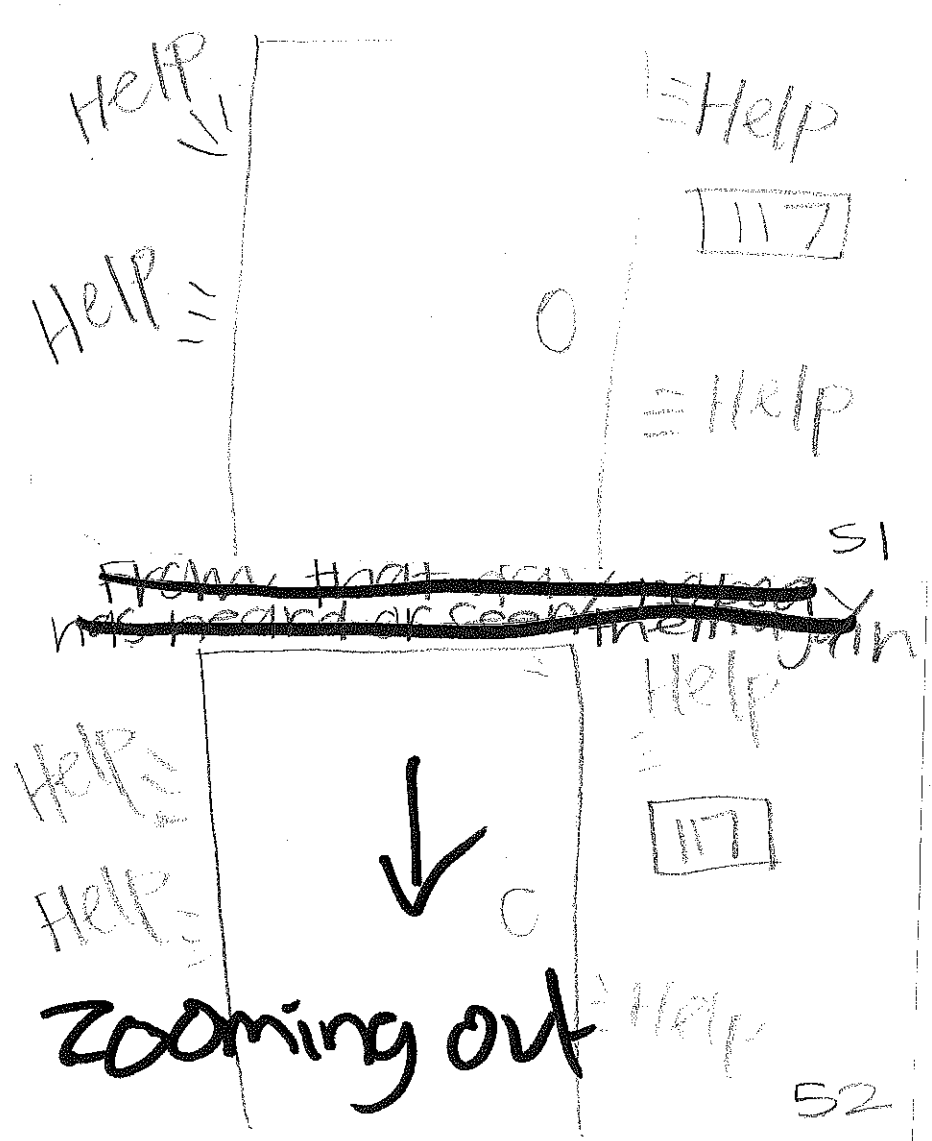

and...locked. (he said as he walked towards the door trying to open it)

They were shouting for help, but no response. From that day nobody has heard or seen them again.
